The three officers of the Mysore Iron & Steel Works, Bhadravati who are said to have been provisionally selected by the Govt of India for scholarships under the Indo-German Industrial Co-operation Scheme for the year 1954-55 and that file has been transferred to the Industries Branch on 26/2/1955. It may however be stated here that while calling for applications from the Heads of Depts, it is remembered that the Heads of Depts concerned were requested to inform the candidates that any portion of the expenditure which may not be met by the German Industry or the Govt of India will have to be borne by the candidates themselves, if selected. But the Asst. Director of Industries and Commerce has recommended only to treat the absence of the candidate as on duty and to permit him to draw his Batta; and no other expenses are recommended, the case is for their consideration.

in a similar case for renewal. Applications were called for from the Heads of Departments making it clear to them that such portion of the expenditure as will not be met by the G.o.I. will have to be borne by the candidates themselves and this Govt will not meet any expenditure on this account (Flag J). 25 As noted in para-24 supra, the application of Sri Chandrasekhara, Asst. Foreman, Government Electric Factory was forwarded to the Government of India recommending for award of Training Facilities in West Germany under the Indo German Industrial Co-operation Scheme for the year 1954-55. While applications were called for from the Heads of Departments, it was made specific that such of the portion of the cost as will not be met either by the Govt. of India or the concerned firms in West Germany over the selected candidates, the candidates themselves will have to meet the extra cost.

26 The Additional Director of Industries & Commerce now recommends that since Sri Chandrasekhara has received intimation that he has been selected under the above Programme, his absence during the period of training may be kindly treated as on duty as represented by him. The Additional Director has also quoted the instance of one Sri A.Hanumantha Rao, Assistant Foreman, Transformer

GOVERNMENT OF MYSORE

DEPARTMENT OF INDUSTRIES AND COMMERCE

OFFICE OF THE DIRECTOR,

Ref. No. GEK/2609/54-55 Encl. one.

Bangalore 7th Febry. 1955

The Secretary to the Government of Mysore,

DEVELOPMENT DEPARTMENT, BANGALORE.

Sir,

Sub:- Indo-German Industrial Co-operation scheme for the year 1954-55 - Selection of Sri S.Chandrasekhar, Assistant Foreman of the Transformer Department of Government Electric Factory, Bangalore.

I wish to state that Sri S.Chandrasekhar, Assistant Foreman in the Transformer department of the Government Electric Factory was recommended for training in West Germany under the above scheme and this has received the approval of Government vide their letter No.E-1865 from the Chief Secretary to the Government of Mysore to the Secretary to the Government of India, Ministry of Education, New Delhi. Sri Chandrasekhar has now received intimation that he has been selected. He has been asked to get ready for proceeding for training (vide letter No.F.56-6/54-8-9 dated 18-11-1954 from the Secretary to Government, Ministry of Education, Government of India, New Delhi,(copy enclosed for ready reference). He may have to be relieved shortly.

Sri Chandrasekhar has represented that his absence during the period of training may kindly be treated as on duty. The official is a very hard working and conscientious executive. The candidate selected under the scheme has to give an undertaking that he would return to India after the completion of training and serve the sponsoring authority, in this case (the Government Electric Factory) for a period of three years. The additional knowledge and experience which he would acquire under the scheme would be an asset to the factory especially in view of the development programme with German technical collaboration which we have on hand. In another case of a similar nature, viz., that of Sri A.Hanumantha Rao, Assistant Foreman, Transformer Department of this Factory who was deputed in the year 1952 for training in West Germany, Government have ordered that the period of absence of the candidate be treated as on duty and that he would be entitled to draw his pay during the period(vide G.O.No.I.2829-31/Ind. 102-52-2 dated 2-12-1952).

I, therefore, request you kindly to obtain the sanction of Government for treating the period of absence of Sri S.Chandrasekhar in the above connection as on duty and for permitting him to draw his salary during the period.

Yours faithfully,

(M.S.SWAMINATHAN)
ADDL. DIRECTOR.

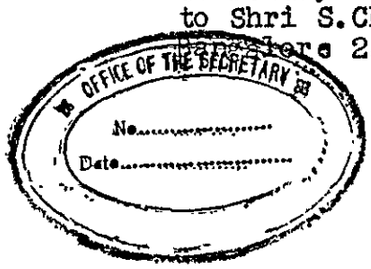
Letter No.F.56-6/54-S.9., dated 18th November 54 from the Secretary to the Government of India, Ministry of Education.New Delhi. to Shri S.Chandrasekhar, Asst.Foreman,Govt.Electric Factory, Bangalore 2.



Subject:= Facilities for training in West Germany under the Indo-German Industrial Cooperation Scheme, 1954-55.

With reference to your application for a scholarship for practical training in West Germany under the Indo-German Industrial Co-operation Scheme, 1954-55, you are informed that the Government of India have selected you provisionally, subject to your training being arranged in a suitable industry in West Germany, for the award of scholarship for training in the subject mentioned below. The maximum period of scholarship is one year but if the training finishes earlier the period of trainning will be curtailed accordingly.

Subject of training:- Electrical High Tension, Switch Gear and Transformers or Elec.Motors Elec.Heavy current Equip.

2. The maintenance allowance sanctioned under the scheme is DM 260 p.m. (equivalent to about Rs.300/-). Though there is no commitment the German industries may pay some remuneration to the trainees. The trainees will be allowed to retain the entire amount of remuneration earned by them. If in any case the amount of remuneration is less than DM 260 p-m. the difference between DM 260 and the remuneration will be paid to the trainee by the Government of India. The maintenance allowance of DM 260 is considered sufficient for normal maintenance at present in that country.

3. The Government of India will meet cost of 2nd class return passage from Germany to India of the trainees. The trainees or their sponsoring authorities will have to meet the cost of onward passage to West Germany.

4. The selected candidates are required to give an undertaking that they would return to India after the completion of training and serve their sponsoring authorities for a period of three years. You should return the enclosed Bond form duly completed immediately. The award of scholarship is subject to your executing this bond.

5. The selected candidates will be required to leave for West Germany at short notice as soon as their training is arranged. They are, therefore, advised to make provisional arrangements to secure passports, valid certificates of medical fitness and inoculation against cholera and small pox and X-Ray chest photographs required under international conventions for travel by sea. The Government of India have appointed Messrs. Govan Agencies Ltd., Scindia House, C Connaught Circus New Delhi as their accredited travel agents for arranging passages of candidates selected under this scheme. The candidates are advised to contact the travel agents for advice in case they find any difficulty in securing their passport visas etc.

6. The training of the selected candidates is being arranged. It is impressed on them that once their training is arranged, they will not be allowed to withdraw. If you are unable to proceed to West Germany for reasons beyond your control, you should inform this Ministry immediately.
